Dear Mr. Dunn;

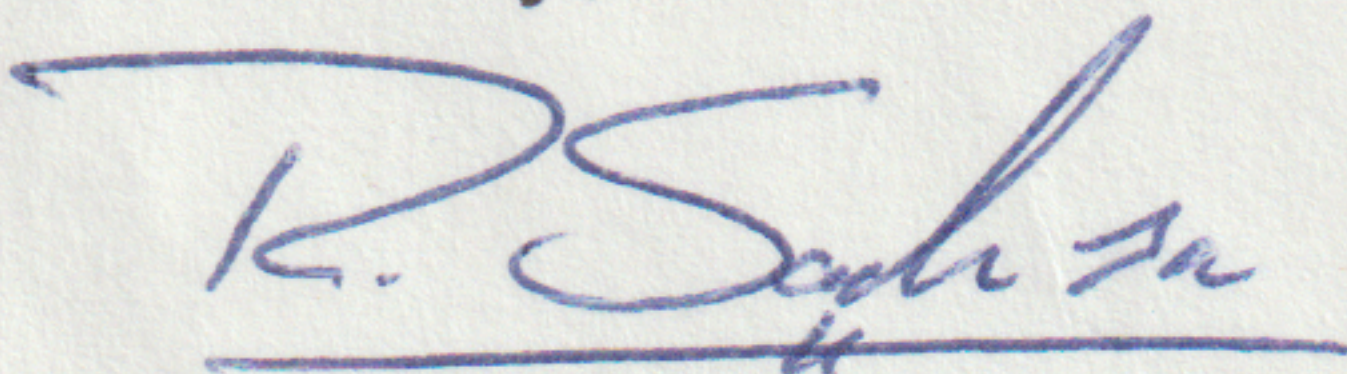

I would like to update my ad; it is currently listed in the *Private Clubs* part of the *Getting Off* section. The new ad will better serve the hiv+ community by listing dates and locations for out of town guests.

**Brandon's POZ Party (BPPNYC)**  
**bppnyc@hotmail.com**  
**212-358-3157**

**"The nation's oldest organized poz-only party." (OUT April '02)**  
**Exclusive private parties for HIV+ men (18 and older), all races and body types welcomed. Meets twice a month in NYC (Fridays), once a month in Ft. Lauderdale, Fl. and annually in: Washington, Dc (during Cherry), Palm Springs, Ca. (Memorial Day weekend retreat), and Philly, Pa. (Blue Ball).**

Thank you for your attention to this change and continued support. If you have any questions or comments, feel free to contact me.

Sincerely;

Robert Sandor aka Brandon
