Description

Gentlemen,

Gay, Bi, Straight HIV+ men meeting other Gay, Bi, Straight HIV+ men with common interests, opinions and ideas has never been easy. With deadlines, daily commutes, and personal duties, it's even tougher to find the time to explore new relationships.

That's why I pioneered the POZ4POZ only concept back in the mid 1990's, which led to the creation of Brandon's POZ Party; the POZ4POZ.COM website (a directory of social and sexual resources); and this YAHOO! Group. These are all about bringing HIV+ men together, not only those who happen to be single, or those with a partner, but HIV+ men who all have one thing in common, their desire to be comfortable with who they are; comfortable with being HIV+ at work, home and at play.

So, whether you're looking for information, a new relationship or just seeking friendships, you can find them here.

This is my purpose, this is my gift to the community. I hope you'll find this a rewarding way to meet that special some one who is just as interested in meeting you.

THANK YOU for allowing me the opportunity to be your host, and webmaster,
Robert "Brandon" Sandor
Founder
