Welcome to Camp Palm Springs and Brandon's POZ Memorial Day Weekend Sex Party !

Gentlemen;

It has been a while since my last visit to Camp Palm Springs, and I am happy to be back.

Being from New York City, I know I have a lot to learn about the ways and means of having such an event as this in California (oppss, I mean SoCal). So this weekend will be a learning experience for me.

Planning for next year's weekend event is already in the works, and any advice, suggestions or comments would be grateful.

=====
My parties in NYC are unique. Unique because it's held in a two bedroom, two bath hotel suite with Hudson River views, and the best group of easy going, attitude free men.

In ALL the years of hosting, I NEVER shouted, became upset, worried or stressed out by them. I trust them completely in terms of having a great time, and to watch out after themselves. I am proud to be their host.

THANK YOU Casey, Ron and The Men of C.P.S. !

To Casey, Ron and The Men of Camp Palm Springs, **THANK YOU!**

Thank you for allowing me to have this special weekend for HIV+ men. I know how busy you are this time of year, yet you welcomed us with warm hearts and kindness.

I am confident that I speak for the group in saying thank you for your generosity, hard work and support. A good time was had by all, and it could not have been a success without you.

Sincerely;

Robert Brandon Sandor

However, there are times when things get interesting, and we push the limit a bit. I mean boys will be boys.

Like the time we started to write (in black washable marker) on each other, words like: BTM, TOP ONLY, GOOD FUCK, etc. Flash backs of the movie "Pillow Book" came to mind.

Then there's the times when we start dancing, some nude and some in underwear, to the beat of the music, all the while guys were in the playrooms having sex.

Then, at times, and for no reason at all, they would line up behind one or two willing bottom boys—and gangbang the boys like there is no tomorrow.

The music plays, the men have fun, and the evening transforms into a fun filled laid back sex romp, with few limits, and many happy faces.

I am very proud of them.

To all those attending this weekend, I would like to say thank you. It's my pleasure to be here this weekend and having fun with you.

During the weekend, I would like to get a group of guys and drive out to the desert—yes and have SEX. Hey, I'm from NYC and we do not have such grand open places where you can walk for miles (NUDE) and be care free. Any one interested, please let me know.

If you plan to PnP this weekend, please know your limitations (it's like drinking and driving) and take care of each other. ALSO: remember, not every one PnP, so respect can go a long way. Please be respectful of those who do NOT PnP. This also holds true for those who use condoms.

Respect is the key for a fan-fuckn-tastic weekend of fun!

HIV + PORN ACTORS NEEDED!

The men of POZ MODELS is here this weekend and would like to meet you, and your friends!

For more information, please stop by my room and see if you qualify. There MIGHT be photo shoots, during the weekend, IF so, please respect the actors, production crew and any other limitations required.

You can look, but DON'T TOUCH.

Gentlemen;

The men of Camp Palm Springs work very hard to insure that we have an enjoyable time, and a kind word or an act of kindness is always grateful.

Therefore, I would like to suggest that we all pitch in and help keep the camp and our rooms clean and pick up after ourselves. Also, I would like to suggest that we take a moment and say "Thank you" to the staff., they work hard so we can play.

Coming from New York City, I could only wish to have such an opportunity as you have here in Palm Springs.

Special points of interest:

- I will be at the camp for the entire weekend, and would like the opportunity to meet and chat with you all. Therefore, please stop by and say hello.
- Suggestions for group "outings" are: going out for cocktails, dinner, lunch etc. Or, ordering out and having a BYOB happy hour at the camp.
- Some men might be HIV-, so lets respect THEIR freedom of choice. We don't need to be careless.
- If you are HIV- or know someone who is, please visit my website www.poz4poz.com and click on the HIV- U B 2 button.
- I am planning next years weekend event, and will be checking into sponsorships. If you are interested or know someone who might be, please let me know. This event would be ideal for: Lube, Condom, Porn, Magazine companies.
- Just to name a few.

MUSIC LINE UP:

On Saturday night, from 9pm to 3am, I will be DJ BRANDON (or hope to be). I will try my luck, at trying my best, to spin music (CDs) for you. If it turns out that I have no clue or any hope—I will stop. LOL I just thought I'd have a little fun, and if I make a fool out of myself... oh well, I still have my day job!

And of course, the usual Camp Palm Springs "house" music that you all know and love.
